In days gone by, the picture album played an important part in family life. The album was a treasure trove of aunts, uncles, cousins by the dozens, grandparents, parents, sisters, brothers, friends and pets. How faces glowed with memories of loved ones, good friends and happy, cherished experiences

We hope this album of familiar faces and shared memories will be like the album of yesteryear. For in the years to come, though the "Family" members of Weymouth South High will have gone their separate ways, the memories and friendships will live on in these pages.

We also remember our classmate, Robert "Ted" MacLean, no longer with us, and we dedicate our album to him.

THE EXHORTATION OF THE DAWN

Look to this day!
For it is life, the very life of life.
In its brief course lie all the verities and
realities of your existence:
  The bliss of growth,
  The glory of action,
  The splendor of beauty;
For yesterday is but a dream,
And tomorrow is only a vision;
But today, well lived, makes every yesterday
a dream of happiness
And every tomorrow a vision of hope.
Look well, therefore, to this day.

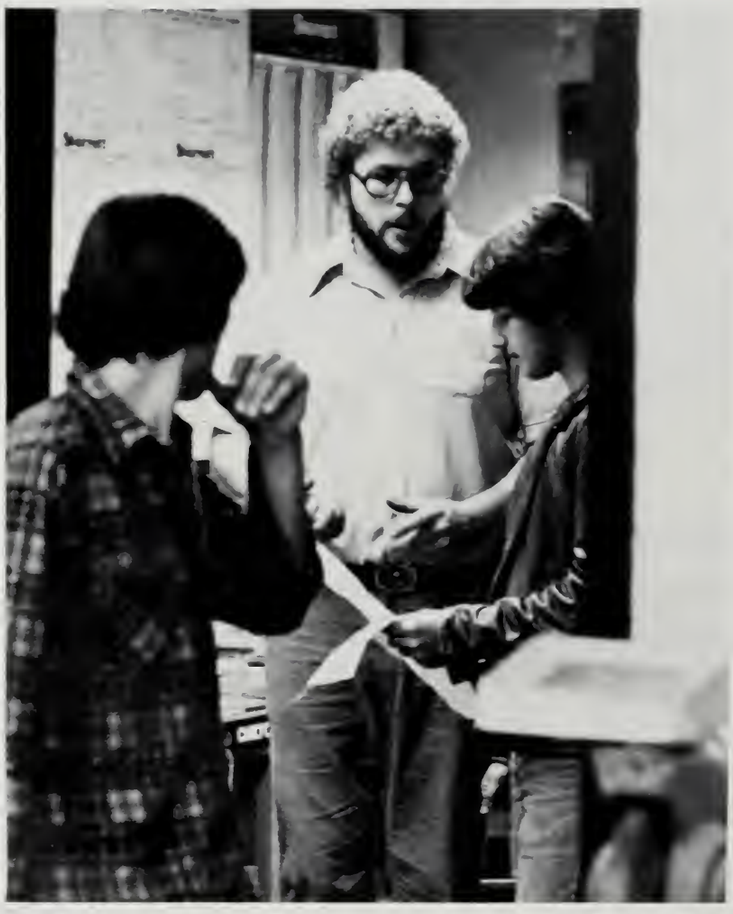
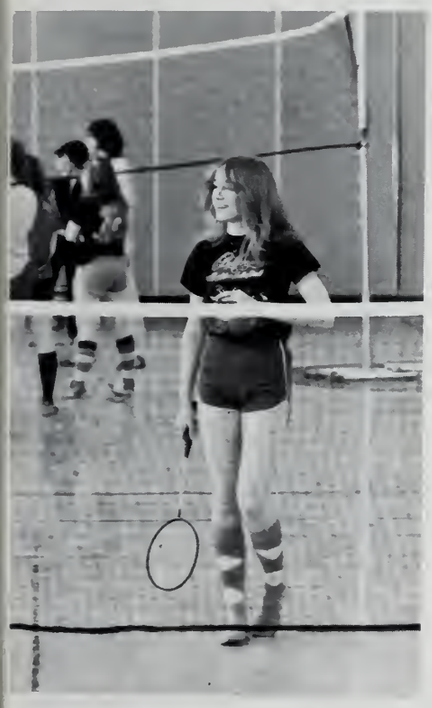
SCHOOL LIFE





RNER

SENIORS

CLASS OF "82"

I remember walking through the doors of
my sophomore year shaking inside and out,
And now that school is over,
it's time to scream and shout.
Three years flew by like three days, it's true,
but within those years, I grew up with you
Class of "82"
As we walk through this door,
we face a thousand more.
But we now have the key, and it's up to us
to be all we're meant to be.
We've set our goals, we've shared our hopes
and now to make them come true.
Class of "82"
Good-byes are sad, but I'll never forget
the friends I've left behind
I hope for you a happy life;
Above all be kind.
And live each day as best you can.
Don't settle for anything less.
The best of luck in all you do.
Class of "82"

Mommy, it's talking.

Caught again!

She's got Bette Davis eyes.

The punks of South High!

HALLOWEEN 1981

Sugar and spice

They come from all walks of life!

Bosum Buddies

"Hi, I'm Susie Smurf!"

Our fearless leaders!

"Say the secret word."

The unsolvable!

A

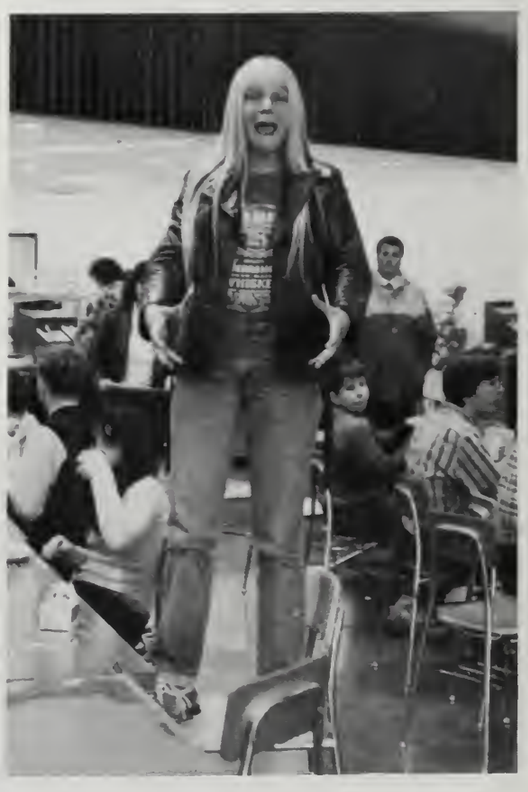
"Come on Mike, Smile!"

"Aw, come on mom!"

Gentlemen prefer Hanes!



And it was *this* big!

Let Crazy Glue do it!

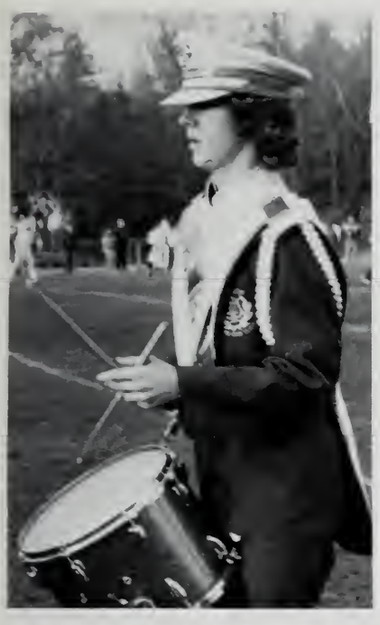
"Will the real Mr. Keough please stand up?"

"Ain't we cute?"

"Want to make something of it?"

"We're having such a *great* time!"

"Not "this" stuff again!"



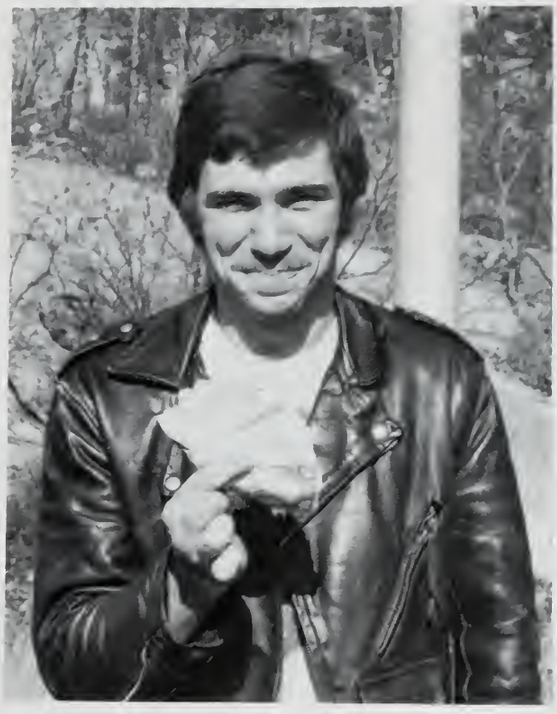
Gab, Gab, Gab

"Get away from me!"

Do the Funky Chicken!

Guess I'll go home.

Who put the lemon juice in the pool?



Let's make a deal.

"See if you can do better."

Eat your heart out.

Hey guys, this is the ladies room!

Look! Red and yellow make orange.

Shall we dance?

Compared to this-Rubik's Cube is easy.

Hey man, like wow!

I went to college for this!

Well, it's safer than school food

I'm not looking at the key board-but she is.
